Methods of Giving

There are many to be a “cheerful giver” at Saint Andrew’s..... We strive to provide easy-to-use opportunities for sharing your financial gifts in whatever method you prefer.

- We are happy to receive **checks and cash** in the offering plate on Sunday. Upon request, Accounting Assistant Russ Stark will mail you personalized donation **envelopes** for your convenience. There also are envelopes in the pews for your use.
- You can set up a **direct donation** to Saint Andrew’s through your bank.
- **“Simply Giving”** is an automated payment that can be set up to transfer funds from your checking and savings accounts. Russ can provide you with an Authorization form which authorizes Thrivent Federal Credit Union to withdraw funds from your specified account for Saint Andrew’s based on your request. This form would be returned to Russ to process.
- You can set up automated or one time donations on the Saint Andrew’s Lutheran Church **secure donation page**. Click the blue donate button on the Saint Andrew’s website home page (home.SALChome.org). You can donate directly from a checking or savings account, or use a credit card.
- Some members like to donate by **transferring shares of stock, or required IRA distributions**.
- The newest method of donation is via **text messaging**. The number to text is 425-970-9567. Text the numerical amount you wish to donate and which fund you are donating to. Donations without a fund designation go into the Current Fund. The first time you text to this number you will be given a secure link for a simple account set-up. You will be given the opportunity to set up one time or recurring donations.
